

Idaho Microfabrication Laboratory Student Users Agreement

I have been trained in IML lab safety procedures and I agree to abide by the rules and regulations governing access and use of IML facilities. I understand that I am responsible for ensuring that safety practices are followed while I am in the IML labs. I also understand that failure to follow written safety and equipment operating procedures can result in my lab access privileges to be revoked indefinitely.

Put N/A for fields not applicable to you.

Name JAMES HUSHING

Email JIMMY HUSHING @ BOISE STATE .EDU

Major/Year (or Grad student) MSE GRAD STUDENT

Idaho Microfabrication Laboratory (IML)
Student Access Request Form

College of Engineering

WELCOME! Please complete this form as thoroughly as possible and proceed with the safety training items listed below. Before you can access the lab, you must first undergo a safety program designed to keep both you and your co-workers safe while using the equipment/chemicals located inside the lab. Listed below are the steps necessary for you to be granted access to the IML. Please complete them in the order given.

Contact Info (please print)

1. Name: JAMES RUSHING
2. Advisor: PAUL SEMMONDS
3. Your Email: JIMMY RUSHING@BOISESTATE.EDU
4. Advisor email/phone number: PAUL SEMMONDS@BOISESTATE.EDU
5. Your office phone/alternate phone: 251-635-6367
6. Department: MSE

Access Request (please print)

7. Project Title: _____
8. Desired equipment to be used: _____
9. Account code for billing purposes (get this from your PI): _____
10. PI signature for account billing code (authorization): _____
11. Date access requested to start: _____
12. Date access expected to terminate: _____

Complete the following steps:

☒ Contact the COEN Safety Officer to complete the general lab safety training modules.
<http://coen.boisestate.edu/safety/coen-bsu-safety-contacts/> **PROVIDE COPY OF**

CERTIFICATE TO IML MANAGER!

You should cover the following:

- a. Compressed Gas
 - b. Hazardous Waste
 - c. Electrical Hazards
 - d. Hazard Communication
 - e. Emergency Action Plan
 - f. Chemical Hygiene Plan
 - g. Flammables
- ☒ Review the IML Standard Safety Operating Procedures (SOP) located in CANVAS & pass the quiz – contact lab manager to become a member of the IML Canvas community.
- ☐ Attend IML Lab Orientation (schedule with IML Lab Support Engineer)
- ☒ Fill out IML Student Users Agreement (located in Canvas)
- ☒ Register and create an ilabs account and get funding info from your PI.
- ☐ Return completed and signed forms to IML manager.
- ☐ Contact the lab support engineer for equipment specific training.

Once you have completed all of the items on this checklist, you can then proceed to become a certified user of equipment located in the IML.
